

Growing Pains, Shoddy Construction and Lack of Respect

Die Chinesen haben offenbar – laut [Al Jazeera](#) – Probleme in Afrika, die mich schmunzeln lassen: „[Li Keqiang](#), China’s prime minister, has set off for a four-country tour of Africa, acknowledging ‚growing pains‘ in China-Africa cooperation. (...) But tensions exist around allegations of shoddy [*minderwertig*] construction and a lack of respect for employment and other local laws.“
