

# Durchs wilde Hadramaut

Wer etwas über die aktuelle Situation im Jemen wissen will, lese nicht deutsche Medien, sondern [Al Jazeera](#):

*An Al Jazeera correspondent in Aden said that the Southern Movement, a group which outrightly rejected rule by the Houthis, deployed its fighters to protect the port city from possible attack.*

The group, which demands a return to the full independence of the southern region enjoyed from 1967 to 1990, had earlier raised the former flag of South Yemen over Aden's airport and a security headquarters building.

Die gebildete ältere linksradikale Generation wird sich an die [„sozialistische“ Verfassung des Süd-Jemens](#) der 70-er Jahre erinnern.
