

Science's Biggest Fail oder: Sagen Sie bitte Profx. zu mir

[Scott Adams](#) (via [Fefe](#)) über die Glaubwürdigkeit „wissenschaftlicher“ Erkenntnisse.

What's is science's biggest fail of all time?

I nominate everything about diet and fitness. (...)

Step One: We are totally sure the answer is X.

Step Two: Oops. X is wrong. But Y is totally right. Trust us this time.

Gilt natürlich insbesondere für „Volkswirtschaft“ und „[Genderpolitik](#)“.
