

Putsch in der Ukraine oder: We had brokered a deal

“And since Mr. Putin made this decision around Crimea and Ukraine – not because of some grand strategy, but essentially because he was caught off-balance by the protests in the Maidan and Yanukovich then fleeing after **we had brokered a deal to transition power in Ukraine** – since that time, this improvisation that he’s been doing has getting – has gotten him deeper and deeper into a situation that is a violation of international law, that violates the integrity, territorial integrity and sovereignty of Ukraine, has isolated Russia diplomatically, has made Europe wary of doing business with Russia, has allowed the imposition of sanctions that are crippling Russia’s economy at a time when their oil revenues are dropping.” (US-Präsident Obama auf [CNN](#))

Jetzt werden die deutschen Medien aber röcheln. Die USA geben zu, dass sie den Umsturz in der Ukraine organisiert haben? Wer hätte das jetzt gedacht. Dummerweise ist auch der ehemalige Premier der Ukraine [dieser Meinung](#).
