

# Whitewashing the Saudi connection to 9/11

[New York Post](#) und [The Independent](#) (UK):

*The FBI has been accused of covered up alleged ,Saudi Arabian links' to the 9/11 attacks. US newspaper the New York Post reports that the crime agency investigated claims that a prominent Saudi Arabian family had abruptly left the country weeks before 9/11. Details of the investigation were kept from the Congressional committee that looked at the attacks, the newspaper says.*
