

Immune to any form of verifiable knowledge

[The New Yorker](#): „Scientists have discovered a powerful new strain of fact-resistant humans who are threatening the ability of Earth to sustain life, a sobering new study reports. The research, conducted by the University of Minnesota, identifies a virulent strain of humans who are virtually immune to any form of verifiable knowledge, leaving scientists at a loss as to how to combat them.“

Yeah. Begegne ich an jedem Tag häufig. Oft haben die ein Smartphone in der Hand und starren darauf und/oder essen vegan und sprechen Gendersprech.
