

No Pardon for The Washington Post

Die [Washington Post](#) macht sich gerade total lächerlich. [Glenn Greenwald](#) schreibt: „WashPost Makes History: First Paper to Call for Prosecution of Its Own Source (After Accepting Pulitzer). ... the Post editorial page today not only argued in opposition to a pardon, but explicitly demanded that Snowden – the paper’s own source – stand trial on espionage charges or, as a ‘second-best solution,’ accept ,a measure of criminal responsibility for his excesses and the U.S. government offers a measure of leniency.’”

Oh Mann. Wie bescheuert sind die denn?!
