[IFLScience](#): „This Is The Oldest Customer Complaint In History (And It's Great)“. (Das Original ist im [British Museum](#).) Der [ursprüngliche Beitrag](#) stammt vom Assyriologen [Altorientalisten](#) Leo Oppenheim (2015).

Sehr unterhaltsam sind die Kommentare auf [Facebook](#). „Imagine how angry you have to be to \*carve\* a complaint letter. Nanni was piiiiiiiiissed. Edit: have since learned he wouldn't have carved it, he'd have pressed it in to clay. Even so, you've got to be pretty damn mad to go through all that effort for a complaint. Nanni's my kind of person.“
