

# An useful massacre [Update]

Interessanter Artikel auf [East and West](#): „Coverage of the Maidan massacre by the mainstream media in the West involves gross misrepresentation“, says Prof. [Ivan Katchanovski](#)„.

*My studies found that the Maidan massacre of the protestors and the police on February 20, 2014 involved the far right and oligarchic parties, and it was a key element of the violent overthrow of the corrupt and oligarchic but democratically elected government in Ukraine..*

Mal sehen, ob das irgendein deutsches Medium aufgreift.

[Update] Dazu passt: Die ukrainische Stadt Lwiw lässt [einen Kriegsverbrecher verherrlichen](#) – mit deutschen Steuergeldern.
