

Prosecution by the United States

Die [ACLU](#) zur Festnahme von Assange: „Any prosecution by the United States of Mr. Assange for Wikileaks’ publishing operations would be unprecedented and unconstitutional, and would open the door to criminal investigations of other news organizations. Moreover, prosecuting a foreign publisher for violating U.S. secrecy laws would set an especially dangerous precedent for U.S. journalists, who routinely violate foreign secrecy laws to deliver information vital to the public’s interest.“

Komisch. Assange gilt doch aus [Verbündeter Trumps?](#)
