

# Free Julian Assange!

**Yanis Varoufakis** ✓  
@yanisvaroufakis

I don't suppose an apology is pending from those who, for years, referred to Julian as 'rapist' and denied that the whole affair was about shoving him in a supermax US black hole for the crime of having exposed crimes against humanity committed in our name

Sweden drops Julian Assange rape investigation  
Prosecution authority says it will not proceed with investigation into WikiLeaks founder
