

Pureliy Domestic Affairs

~~Das Ministerium für Wahrheit~~ Der [chinesische Außenminister](#) informiert:

The Taiwan issue is fundamentally different from the Ukraine situation as it is a „purely domestic affair“ rather than between two countries, China’s foreign minister said on Monday. Speaking during his annual briefing with foreign media in Beijing, Wang Yi said it was a „blatant double standard if some respect the sovereignty of Ukraine but repeatedly harm China’s sovereignty over Taiwan“.

Hätte Putin das doch nur so gemacht! Er hätte einfach verkünden müssen, dass die Ukraine sowieso zu Russland gehörte und die Sache eine innere Angelegenheit sei.
