“I ask you who was the first Palestinian King, what [unique] language do they have, was there ever a Palestinian coin. Is there a Palestinian history or culture? There isn't. There is no such thing as a Palestinian nation. The Palestinians, [he said](#), are regional Arabs who arrived in the Land of Israel at the same of the first major waves of immigration at the end of the 19th century.

0 je. Bin ich jetzt ein „religiöser Zionist“?
