Palestinian President Mahmoud Abbas: Hitler Fought the European Jews Because of Their Usury, Money Dealings, It Was Not about Antisemitism; Jews from Arab Countries Did Not Want to Emigrate, But Were Forced to Do So by Israel #Antisemitism @PalestinePMO

So sind sie, die Araber, die sich „Palästinenser“ nennen. Und so einen Vollidioten [finanziert die Bundesregierung](#) mit meinen Steuergeldern.

Gilad Erdan, Israels Botschafter bei der UN, schreibt: *This is the true face of Palestinian “leadership”. It is no wonder that mere hours ago a Palestinian teenage terrorist hacked innocent Israelis with a meat cleaver in Jerusalem. Just as Abbas blames the Jews for the Holocaust, he also blames the Jews for all the Middle East’s issues. While he spreads this pure antisemitism he also pays Palestinian terrorists for murdering Israelis and publicly commends Palestinian terrorism. The world must wake up and hold Abbas and his Palestinian Authority accountable for the hatred they spew and the ensuing bloodshed it causes. There must be zero tolerance for Palestinian incitement and terror!*
