

Depends on the context

So hart [würde in Deutschland niemand befragt](#). So etwas sollte man mal mit Frau Chebli machen oder mit der „israelkritischen“ hiesigen Kulturschickeria. Chapeau, [Elise Stefanik](#)!

The presidents of @Harvard, @MIT, and @Penn were all asked the following question under oath at today's congressional hearing on antisemitism:

Does calling for the genocide of Jews violate [your university's] code of conduct or rules regarding bullying or harassment?

The answers they gave reflect the profound moral bankruptcy of Presidents Gay, Magill and Kornbluth.

Representative @EliseStefanik was so shocked with the answers that she asked each of them the same question over and over again, and they gave the same answers over and over again.

In short, they said: It 'depends on the context' and 'whether the speech turns into conduct,' that is, actually killing Jews.
